Quick

Hey, what's up? Well, what can I say, you're a great pal, you're always having fun & making me laugh, you're my classmate and may be next year you'll be my classmate again. I'm happy you had a good last year, a party in the summer will be good for you, hopefully we can go to beauty at two, and hopefully we can go to the beach. Call me so we can talk for a while, I'm anxious. Too bad I cannot take the photography class, summer school. Oh well, I'll always remember you can't take me to math class. I'll always remember you for your personality (there are three words to say you in the book and one of them is you), anyway I'll always remember you for your laughs, your smile, your sense of humor, your friendship and your kindness.

AMERICAN FIELD SERVICE WELCOMES ANDY HAUSMANN

"When I finally, after a long time of anxious waiting, was told that I would go to Riverside, Illinois, I was very happy. But then I got a little bit scared of the size of R-B. Compared to my overcrowded school with 300 students (in Bayreuth, West Germany), R-B is a 'biggy'. After 2 weeks of 'walking around with a map in my hand' I got used to R-B and all its crazy but very nice people. I also had to get used to the 'little kids' that offered me rides. After I made so many really good friends here, it is a little bit hard to leave again, although my home town is a nice place to live. Hopefully, I will have the chance to come back sometime."

. . . AND MARIE ELENA DARAHUGE

"As a foreign student from South America I am enjoying so much my stay at R-B high school. In Argentina we have at my high school 800 students. There are not sport teams; if we want to practice any sport, we do them at private clubs. We study 12 subjects, during 5 days a week from March until November. We have 3 months of holiday in summer and 2 weeks in winter. We use uniforms and I think it is a less expensive way than using every day different clothes. R-B has very good available material for working in different classes and practicing every sport. Many important events are offered in Chicago such as the best tennis players' matches. It was a lot of fun to play in the "powerful" tennis team and trying to understand every word Mr. "Coach" told us. I have to thank AFS, the R-B AFS Club, staff and students for accepting me as another R-B student, and to my dear host family. This will be an unforgettable experience such as the "lovely" snow and Santa Claus "walks". Con Coriño, para siempre."

CHEERLEADERS BOOST THE MORALE OF THE TEAMS AND THE SPECTATORS

Want to know a secret? The way to a **cheerleader's** heart is to appreciate her. It must be understood that besides smiling, yelling, and jumping to spur the team on to a victory, cheerleading is a year-round job.

As the cheerleaders are responsible for buying all their own uniforms and various other supplies, they annually hold a successful car wash and a homecoming carnation sale to raise funds. Also, they ran a cheerleading clinic for junior high girls this spring. This year the cheerleaders really felt like part of "the family" with the team and coach. Actually, the whole year held many good, memorable times for all.

BADMINTON TEAM PLAYED FIRST STATE MEET

Our **Girls' Badminton** team is one of the best in the state. After tying Hinsdale Central last year for first place in the conference, they beat them this year by a romping score of 9-2. The team has many returning players, mostly Juniors and Seniors. This was the first year for a state meet. Results weren't at hand by our deadline, but they were expected to do very well.

SOFTBALL TEAM

HIT 'EM HARD

The **Girls' Softball** team spent a good portion of their season preparing for the first softball state meet, as well as trying to defend their 1975 2nd place standing. They played well, having several close games. They had lost several starters to graduation, but filled the gaps with talent from the bench. The team lost in their district to Morton East after a long heated confrontation, ending in a loss by one run.

'76 GYMNASTS LACKED MEMBERS

Despite its poor showing in the conference for the spring season, the **'76 Girls' Gymnastics** team managed to turn out some fine performances. According to the girls' coach, Ms. Paluch, the team faced some disadvantages during the season, specifically, not having enough girls to compete in all the events.

GYMNASTS GAVE SKILLED ROUTINES

The **'77 Girls' Gymnastics** team presented especially good tumbling and vaulting performances. Senior Eva Dobrovoly's specialty was floor exercise, while teammate Judy Hoder was strong in both vaulting and tumbling. Kathy Orsey and Karen Koslowski were among the skilled Freshmen, showing expertise on the bars and vaulting.

NEW SUMMER PROGRAM PROVIDES VALUABLE PRACTICE FOR VARSITY BASEBALL

Key to a team's victory is discussion of tactics.

Last year, the 1976 **Varsity Baseball** team finished with a 4-12 win loss record. They finished in seventh place in conference, but Gary Koslowski was recognized as an All-Conference player for the season. John Hearlston was another top player on the R-B team.

For the first time in eight years, the R-B batmen participated in a summer baseball program. The team had a fantastic 280 batting average for the season. The games played allowed Coach Glawe to watch several of the younger players. Commented Coach Glawe, "A lot of freshmen and sophomores played well this summer, and I feel these players should help the team next year."

F AND S BASEBALL TEAMS HOPE FOR A BETTER '77 SEASON

Unfortunately, the **Frosh-Soph Baseball** teams weren't all too great this year. The Freshman team won only 5 games out of the 17 they played, and the Sophs won 4 out of 17. Participation Certificates were awarded to the Frosh, while Sophs were awarded numerals and numeral certificates.

Sophomore coach Larry Novotney said that the things that hurt the most were low interest and enthusiasm. Although they're hoping for a better season in '77, they can say that they learned the hard way that the thrill of victory is surpassed only by the agony of defeat.

With experienced members, the **Boy's Tennis** team finished their season in fifth place. Their two most outstanding players, Bob Latham, who was all conference, and Peter Kures, qualified in districts, and went to the state meet. Bob Latham was chosen by his teammates as the most valuable player.

Coach Enge commented on the future, "Our strength will lie in the amount of varsity players returning." He added, "We are determined."

F-S TENNIS WANTS SUMMER COMPETITION

Coach Lehotsky attributes the **Frosh-Soph Tennis** team's "off season" to lack of summertime competition play (it's important that they keep in practice all year long, not just during the season). Another setback was sophomore Brian Brille's Injury after just one game.

Danny Esenther, a freshman, played well enough to be a regular on the sophomore team. Other freshmen who rose above expectations are Mike Bryant, Ken Chapatta, Chip Halverson, Greg Kubik, Dave Tecson, and Mike Sperry.

GIRLS' TRACK TEAM BREAKS ALL RECORDS

Tracy Marinich hopes for a soft landing.

After gaining a year's experience, the **Girls' Track** team broke all of R-B's girls' track records. Although they placed 9th in the conference, they offered the opposition stiff competition.

In the conference meet, Joy Pease, who was voted most valuable player, placed second in the 80 yard low hurdles. Sue Shotola set a new R-B record, and placed 4th in the discus.

The Senior class fought a very hard obstacle this year, namely apathy. They did manage to raise money by showing the movie, "Tommy" and selling T-shirts. They also put much effort into their Homecoming float which illustrated the "Wild West" motif. Sponsor Mrs. Meyer stated, "The Seniors put forth an all out effort to overcome a severe defecit." In spite of all the obstacles, the Senior class was able to make ends meet and have fun at the same time.

This year's Junior class sponsored many activities to raise spirit within the school, and raise funds to sponsor the Junior prom. Class Vice Pres. Dawn Lyons commented, "We've been raising money for three years for the prom and we think it was one of the best ever." Some of their fund-raising activities were taffy apple and bake sales. Their most successful project was selling t-shirts at Homecoming. They not only had the best looking t-shirts, but had one of the best floats in the Homecoming parade. With the school year almost at a close, the juniors are looking forward to being on the top of "High School Hill".

This year's Frosh class didn't have any trouble getting actively involved in R-B life. "It's easy to get along with kids in our class," stated Lori Sinsky.

Under the direction of pres. Laura Gargano, the Frosh held a popcorn sale, and many bake sales to build a sound treasury for the class.

One of the Frosh goals was to make activities fun and interesting so that many students would get involved.

FRESHMEN CLASS OFFICERS: sec. Lori Sinsky, class rep. Carolyn Becker, pres. Laura Gargano. NOT PICTURED: vice-pres. Cindy Clark, treas. Lori Herring.

Gary,

We are almost done with another year of school. I've had a Russian class with most of the same people and we've become pretty close. We've had a lot of fun and learned a lot of Russian but what I'll remember most is the great times we've had outside of class. Have a great summer and get drunk twice a week

Mark Ver [redacted]

Gary,

Even though you quit track, you chump, you're still pretty cool. See you at the parties this summer and we'll see how much beer we can drink.

See ya,

Will Wolf

Gary-

You're not totally pathetic, you're only partially pathetic. Have a great summer and don't get too much sun. Maybe you'll get a tan instead of a sunburn.

Mark Quam

Gary-

Have a great summer.
